## 1991 Yearbook Dedications

*You have seen us through the years  
From kindergarten through graduation.  
Showing us who really cares,  
You deserve a big congratulations.*

*It is the Class of 1991  
Who is so proud of you.  
We have yet to see you outdone.  
Is there anything you cannot do?*

*We all appreciate what has been done,  
And wish this wasn't the end.  
It seems that you have just begun.  
Thank you for being our friend.*

*From captain of the school  
To skipper of the sea,  
here's a big hand to you,  
Doctor V.*

*Thanks, Mr. VanWieren, on a job well  
done!*

Dr. Gordon W. VanWieren

Thank You

Diane Dreyer

*We want to say thank you,  
For all the help you've done.  
It's everything you have done and will do,  
For the Class of 1991.*

*We dedicate this book to you,  
A lady who hardly has a rest.  
It's you that has helped us through,  
A lady who deserves the best.*

IN LOVING MEMORY  
TO  
A SPECIAL FRIEND

LISA DIXON

*Words cannot say what we  
Feel today,  
To make all the pain  
Go away.  
Time will take from our minds  
The kind of bind that will  
Always remain behind.  
The hurt will run its course,  
And someday we'll look back  
Without remorse  
On the memories of a friend  
Who remains with you*

### AIPOTU-MY

*I'm at peace with myself  
When I run the lonely road.  
The sun, the rain, the snow,  
They are my home.*

*The sparkling April dew  
Glances from my feet.  
Splashing spirits of birth  
Dampen me complete.*

*On I run through  
The trickling rain alight,  
Showering my glistening body  
With sweet water of life.*

*Gathering on my brows  
Is the salty August sweat  
Until finally falling to the  
thirsty Earth  
Wishing to be wet.*

*Over the crackling sound of  
breaking twigs  
I dance among the frolicking leaves.  
Floating in jolts of laughter  
Through October's elating breeze.*

*The stillness of December brings a  
heavenly silent snow  
In an awesome orchestra of harmony.  
In a warm shimmering glow of  
artificial tears,  
I fervidly and anxiously agree.*

*I'm at peace with myself  
When I run the lonely road.  
The sun, the rain, the snow,  
They are my home.*

#### DIVERSITY

*It is possible for two people who have wide differences of preference and opinion, of habits, of teaching, of training, of background and belief to enjoy the company of each other in many ways. Indeed, a diversity of friendships is one of life's real enrichments. To learn of the goodness of those who are unlike — their worth, their sincerity, their good hearts, their good minds, their good company — is rich and rewarding. It is wonderful to have a wide range of choice friends who can be counted on, friends who can be enjoyed and loved and trusted. Such is the meaning of friendship.*

LEST WE FORGET

*I once read lines, I know not by whom,  
But I thought them all too true;  
They spoke of all the things we leave undone,  
As well as the things we do.*

*There were the kind words left unspoken,  
The letter we did not write;  
The visit we promised but did not make,  
The forgotten prayer at night.*

*Perhaps the gift of a single rose  
Would have gladden the heart of a  
friend.*

*We can never really measure the joy  
That is ours to share without end.*

*How sad but true that many a life  
Could sparkle as noonday sun,  
Were it not for the loneliness often caused  
By deeds that are left undone.*
